

School visits - Shop

The Devil's Porridge Museum stock a wide variety of souvenirs, gifts, and educational resources and we would be delighted to accommodate a visit to the Museum shop as part of your visit – either during the lunch break or at the end of the day.

However, you may still be interested in our exclusive School Visit shop packs aimed at both pupils and teachers. These can be ordered in advance of your visit or on the day and the cost can be added to the School Visit invoice to take away the need to pay on the day. Orders that have been placed in advance will be ready for you to collect on the day.
